### Political Pearls:

“We don’t have to accept a political advisor just because the PM likes her. Samson liked Delilah”

“One of the Cabinet has been leaking to the press like a colander. In one week, he has been an unofficial spokesman, an informed source, a senior colleague of the PM, a source close to the leadership, and a growing body of public opinion within the party”

Sir Humphrey Appleby K.C.B (Secretary of the Cabinet)
