Topic	Tyres etc	Interplast in Myanmar
Introduction	Kierin Irvine	Dennis Nielson
Thanks	Allen Foote	Andrew Orme
Club Speaker	Denis Marriner	Erika Raubenheimer
Quote	Peter Spurdle	Garth Wilson

Last Meeting – A Holiday Day

Magic system or otherwise I have never assigned anyone to do the setup that Garth mentioned in his notice recently. It might be an idea, though, to paraphrase those duties and have a notice for those who do turn up early and they can check off what is required.

Labour Day Quote

"Sometimes it's important to work for that pot of gold. But other times it's essential to take time off and to make sure that your most important decision in the day simply consists of choosing which colour to slide down on the rainbow." — Douglas Pagels

Birthday Wishes 04-11 November

None

Political Pearls:

"It is a well-known fact in the Foreign Office that an order from the Prime Minister becomes a request from the Foreign Secretary, then a recommendation from the Minister of State, finally just a suggestion from the Ambassador, if it ever gets that far!"

"If civil servants could remove politicians on the grounds of incompetence it would empty the House of Commons, remove the Cabinet, and be the end of democracy and the beginning of responsible government"

Sir Humphrey Appleby K.C.B (Secretary of the Cabinet)

I wonder what Humphrey would think of Westminster today!

World President

Mark Maloney

D9930 Governor

Peter Maxwell

President

25	Florian Graichen – Plastic Tactics (how to deal)	Y
December	Club Meeting Chair – Martin Kinder	
2	Jon Ward – Lakes High School	
3	Driver Directions – ray.oakley@xtra.co.nz	
4	Driver Directions – ray.oakley@xtra.co.nz	

Interplast is a small charitable organisation started by Rotary in 1983 through a partnership with the Royal Australasian College of Surgeons. Rotary continues to be crucial in both governance and support from clubs and Districts throughout Australia and New Zealand.

The Constitution designates Rotary members of the Company, the Board of Directors and the Rotarian Committee of 9 Past District Governors.

Interplast sends fully qualified Australian and New Zealand volunteer plastic and reconstructive surgeons, anaesthetists, nurses and allied health professionals to the Asia Pacific region to provide free surgical treatment for patients who would otherwise not be able to afford access to such services.

Treatment is aimed at providing function and mobility for conditions such as cleft lip and palate, tumours and burns scar contractures. We also focus heavily on facilitating medical training and mentoring for in-country medical personnel through building capacity and supporting local health services in direct response to in-country requests.

A fundamental component of all our activities is to leave a legacy through strengthening, improving and expanding the abilities of our neighbours' medical staff. The number of programs delivered has grown to over 70 a year.
