Due to the rugby world cup - Steve Hansen was asked prior to a game if he had anything up his sleeve and his response was “only my arm”

The Armistice of 11 November 1918 was the cease fire signed at Le Francport near Compiègne that ended fighting on land, sea and air in World War I between the Allies and their opponent, Germany. Previous armistices had been agreed with Bulgaria, the Ottoman Empire and the Austro-Hungarian Empire. Also known, in some circles, as Remembrance Day

Club Speaker Denis Mariner spoke of the pitfalls surrounding the Fletcher fire at the Sky City convention centre and the multiple options for cover organised between the three parties covering the issue, watch this space but you could be watching for some considerable time.

Christmas Function Bryce Dunn signalled the function to be held as an evening event on the 16 December, more details to follow.

VP Robyn Murphy spoke of attending PETS and the emphasis on the Rotary Foundation

Marshalling-Martin Kinder gave notice of a couple of marshalling events coming up the Running Festival on **23 November** for 4-6 hours and Kiwi Kids (TRYATHLON?) on **01 December** from 6-12. Please let Martin know if you can help and earn money for the club.

President Tom noted Robyn's return from overseas and the amount of community work Mark Gould had undertaken as a councillor

Political Pearls:

"When a problem is too difficult, Ministers set up Royal Commissions and Civil Servants set up inter-departmental committees. This bequeaths it to the next generation"

Sir Humphrey Appleby K.C.B (Secretary of the Cabinet)
