Quotes of the day

“It is hard to say why politicians are called servants, unless it is because a good one is hard to find.” Gerald F Lieberman.

From the meeting of the 20th July 2020

Chair President Robyn.

Tsunamis and sailing. Our own Garth “Hornblower” Wilson took us through his amazing exploits on the water. It seems that to be a sailor a year or two back you also needed to be an expert craftsman and have a very forgiving mother happy for you to build a boat in her lounge!. Quite a test of his craftsmanship to test his boat on the harbour at Nelson on the wash of the Tsunami arising from the Anchorage Earthquake.

“It’s called the American dream because you have to be asleep to believe it!” George Carlin.
