Rotary Club of Rotorua

Monday 17 August 2020

Monday 10 August.

Many thanks to Mark, Michelle and Logan at the Rotorua airport for hosting us and giving us an update on the upgrade and future proofing of this important facility for Rotorua. On the downside is their fight to ensure the airport has a manned control tower as the powers that are attempting to turn our airport into a provincial remote controlled operation. We were able to taste the new café and ooh

and aah at the new \$1.3 million emergency truck as it did its thing providing assurance to those who use the airport that they can handle all sorts of emergency issues. Thanks to Garth for making this happen.

Airports see more sincere hugs and kisses than a wedding hall

I love airports because the rules of society don't apply. Eat a pizza and have a glass of wine at 7am while in tracksuit pants. Nobody cares
