Thanks to Brett for the update on the Rotorua Golf Club. Impressive amount of reshaping of the facilities, the strategic shift to build a second pillar for the club of hospitality and food to supplement the original golfing focus. The introduction of non-playing members also opens the club up to a larger membership base. Can't wait for summer and having our lunches on the vast new deck under the umbrellas. Well done RGC.

"A vision without a strategy remains an illusion" - Lee Bolman

And on the subject of strategy! President Robyn provided an overview of the draft strategy she, Andrew and the Directors have been developing for our club. Sustain our focus on the local community, supporting parenting and families, define a signature project and increase our visibility in our community. Take the pruning shears to some of our activities so we focus on those activities that meet our objectives above and ensure that we have fun. Robyn is very keen to get feedback.

Robyn also mentioned about how we adapt our communication approaches so in case you had not otherwise noticed it this bulletin is on the new communication platform.

It was also noted how grateful the Grandparents raising Grandchildren Charity was to receive our donation.

"The essence of strategy is choosing what NOT to do!" Michael Porter.
