

ROTARY CLUB OF ROTORUA

That week that was...

"I would like to thank God, she makes everything possible" Helen Reddy

28 October 2020 A great attendance to see the very good bio film of the late Helen Reddy. The woman who wrote what became the anthem to the woman's rights movement in the USA '*I Am Woman*' It is incredible today that equal rights for women is still not embedded within the American Constitution (or maybe not a surprise considering what is happening there at the moment!)

Many thanks to Sunrise for making this happen and a very enjoyable evening. Some \$2000 was raised with Bill and Melinda Gates Foundation support telescoping it out to \$6000 to continue the battle with Polio.
