THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST - The development of acquaintance as an opportunity for service.

SECOND - High ethical standards in business and professions: the recognition of the worthiness of all useful occupations, and the dignity of each Rotarian's occupation as an opportunity to serve society.

THIRD - The application of the ideal of service in each Rotarian's personal, business and community life.

FOURTH - The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

of the things we think, say, and do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWIL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

ROTARACT

Rotaract clubs are Rotary sponsored service clubs for young adults 18-30 who are dedicated to Rotary service ideals.

Rotaractors are “Partners in Service” with their Rotary Club sponsors. Not only do they organise local and international service projects, but also provide a valuable pool of future Rotarians.

The District Rotaract Manual and Rotaract Handbook will provide information for Rotary clubs wishing to start or strengthen Rotaract Clubs. Details for each Rotaract club in our district can be found at the end of “District 9930 Directory of Rotary Clubs” or by clicking on: <http://www.rotaract.org.nz>
