LAST MEETING:

Chairman – Richard Pryce welcomed our visitors and members back after the Easter break.

Adam Beuth and Will Kroehn - Rotary Australia New Zealand Matched Student Exchange

Adam and Will gave well prepared presentations about themselves.

Both are 15, live on farms, have sisters and love hockey. In late June they go to Australia.

Adam noted that he was one of only 2 boys doing the RANZSE at present. He lives on a dairy farm in Mamaku with his parents, sister, many goldfish, 4 Irish Setters and 500 cows, noting that the annual rainfall is 2.5m. He attends Western Heights High School and enjoys water polo, playstation, riding his motor bike and mountain bike, as well as sea fishing .

Will lives near Waikerie on a dryland farm 2 hours north-east of Adelaide with his parents, 2 younger sisters, a Bernese Mountain dog, and noted that the average rainfall is 250mm. He also enjoys fishing, water skiing and tennis. He has his own business, making and selling wooden hand crafted cheese knives. Until he came to NZ he had never owned gumboots.

QUOTE OF THE WEEK

From Fergus via Martin

The first is by "Unknown"

"...Youth voice is crucial to the overall effectiveness of service- learning programs. Youth voice has a tremendous impact on program participation and program outcomes, both short term and long term."

And the second from Carmen Martinez – not sure of who or what she represents.

"The more we increase the active participation and partnership with young people, the better we serve them. ... And the more comprehensively we work with them as service partners, the more we increase our public value to the entire community."

Will and Adam at Auckland airport.

📅 Posted on Apr 07, 2019

Will (Kroehn) and Adam (Beuth) at Auckland airport.

After arriving at Auckland Airport we drove back to Mamaku with Will having a wee sleep on the way.

The boys were straight out on the front paddock with their hockey sticks and ball with a promise from us to take them to the hockey turf tomorrow.

Pizzas for dinner then Will presented us with some beautiful presents including his own handmade wooden cheese knives and cheeseboard which is a talent he had managed to keep secret from us until he arrived.

Our plans to go to the speedway were foiled by the rain so just chilled at home watching a movie and looking forward to a sleep in.
