## Last Meeting - 18 November 2019

Whilst you were enjoying, I imagine, the activities at the Good Eastern Taphouse I was "enjoying" the vagaries of the weather in North Taranaki. Our eldest son moved from Auckland to Egmont Village almost a year ago and we decided to help celebrate his birthday. The weather was atrocious for the 4 days we were there and so very little was done in the guise of outside activities; the dispensation was that most of his friends appreciate fine wine and dining, well appreciate might be too big a word.!

## Birthday Wishes 25 November-02 December

## Political Pearls

"The typical Common Market official has the organising capacity of the Italians, the flexibility of the Germans, the modesty of the French, the imagination of the Belgians, the generosity of the Dutch and the intelligence of the Irish."

Civil Service Language "Sometimes one is forced to consider the possibility that affairs are being conducted in a manner which, all things being considered and making all possible allowances is, not to put too fine a point on it, perhaps not entirely straightforward.

Translation: You are lying."

Sir Humphrey Appleby K.C.B (Secretary of the Cabinet)
