

### The week that was.

The pessimist complains about the wind;  
the optimist expects it to change;  
the realist adjusts the sails

**Monday 28th last.** It was wonderful to host Henri and Gerhard Egger the genera behind the new Volcanic Kitchens Book. and Nicola Smallwood from Rotorua Hospice. The book blends the taste, look and feel of Rotorua and is a very special achievement. Sales of the book will raise funds for Rotorua Hospice, an organisation with which the Rotary Clubs of Rotorua have a special relationship as well as being a vital part of the Rotorua Community.
